Grades and Transcripts

All COOLSchool Instructors assign points to graded assignments. The final grade for a course is based on the number of points received in proportion to the total points possible.

Grade Builder Summary Jane Student				
Assessment Title	Student Score	Gradebuilder Points Possible	Gradebuilder Points Earned	Date Submitted
<u>Exercises on Preface and Introduction</u>	122.6 / 132.5	100	92.52	Tue Oct 7 19:58:50 2003
<u>Chapter I - Exercises</u>	75 / 118	118	75	Mon Oct 6 11:34:32 2003

- Our registrar reports to districts both a letter grade and a percent grade. Students will be able to see their grades on each assignment within the course.
- To find out how to access the online grade book, students should contact their teacher. Students are able to see only their own grades.

Progress Report Grades

- COOLSchool does not automatically send out Progress Report grades. If a progress report grade is needed, make a request via e-mail to the instructor one full week before the report is needed.

Final Grades

- COOLSchool teachers award an “A,” “B,” “C,” or “D.” Teachers may add a + or - to the grade. COOLSchool will not give an F grade to students who stay in the course beyond the 10-day drop date, but then fail to complete it. However, individual districts have the option to issue a failing grade on termination.

Transcripts

- When a student has successfully completed a course, COOLSchool will send an official transcript to the address submitted on the registration form.

Incomplete

- An “I” for incomplete work may be granted. Incomplete coursework should be completed within 10 months of the student’s enrollment date. At that time, the teacher shall make a determination as to the actual grade earned in the course and either change the grade to the earned grade or advise the registrar that no transcript will be issued and the student is to be removed from the course. A student could have the option to repeat the course in a subsequent term.

Appeals

- No grade or evaluation given by a COOLSchool faculty member shall be changed without the approval of the faculty member, unless the student, parent(s), or legal guardian(s) files an appeal in writing with the administration.
- A review panel consisting of the faculty member assigning the grade(s) in question, COOLSchool administrator, and a third member (curriculum specialist) shall hear appeals. This panel may change the grade, establish additional requirements, or refuse the appeal.
