

One of Oregon’s valued providers of online education creating opportunities to help districts get what they want in order to meet their student and program needs.

K-12 teaching and learning

- Student centered on the K-12 learner.
- Outcomes tied to Oregon Content and Performance Standards.
- Based on K-12 best practice pedagogy.
- COOLSchool teachers are experienced face-to-face teachers.

Reaching Student Populations

- Creation of district programs specific to need, e.g. course selection, calendar alignment, training and support
- Open enrollment allows flexibility in scheduling for student needs.
- Model for connecting with home school programs.
- Support for alternative program curriculum See ycep.courses.k12.or.us

Enrollments Caps for Courses

- Increased success rates for students See coolschool.k12.or.us/docs/surveydoc.pdf
- Acknowledges online learning takes more time.
- Increases effectiveness of instructors.

Partnership Benefits

- Allows virtual web address for your district, and customizable course selection. See csd509j.courses.k12.or.us
- On site and web based training for student support staff.
- Ability to provide a single portal for a partner’s multiple course providers such as PSU (Independent Study) or SK Online.
- Creating of marketing materials such as a catalog of selected course offerings.
- Adaptable relationship allowing flexibility in use of FTE and course content.

Flexible Course Delivery

- Ability to develop course content independent of a course management system.

Staff Development

- Professional development based on district needs that ranges from accessing content to developing and teaching courses online.
- Multiple course development processes to address a developers skill levels.

Administrative Support

- Financial model that is scalable to meet the needs of each district. See coolschool.k12.or.us/csselfs01.php
- Assistance with Oregon K-12 funding model and applicable OAR’s.
- Human resources support for contracting with staff.
- Registration and transcription services as needed.
- Notified of Special Needs students to make accommodations.

Technology Support

- Services supported by LBL ESD Technology Solutions.
- Ucompass Educator LMS.
- Monday through Friday help desk support.
